

# JTEKT Introduction of Raid Activities in Philippines

Raid activities have been conducted continuously in the Philippines since 2017

**Purpose: To protect the customer's life and safety.**

Among the counterfeit products circulating in the market, there are exquisitely imitated counterfeit products which cannot be determined as counterfeit products so easily. However, no matter how well the product is imitated the quality and safeness is not guaranteed, which may result in a serious accident.

**Cooperation with local distributor with branches in various locations**  
→ **Simultaneous raids were conducted in multiple cities across Philippines**

Investigation

Raids & counterfeit product seizure

File claim to Department of Justice

Arrests

Criminal proceedings

Many counterfeits can be found easily in retail stores. With careful planning and investigation, large warehouses were found with large amounts of counterfeit products with required many trucks to load up.
